

YFC CAMP ROAD TRIP '18

MADRAS, OREGON – SAN FRANCISCO, CALIFORNIA

WHO IS JESUS TO YOU?

June 25– June 29, we took five high schoolers to California with 80 other students from Lane County YFC to spend an amazing week together!

We experienced a lot of fun things: Six Flags, touring Alcatraz, exploring San Francisco, and going to the beach. More importantly though, we pursued Jesus together, asking “Who is Jesus to me?”

Students who already have a relationship with Christ were challenged to make Jesus more than just a Sunday topic, but instead the everyday Lord of their lives.

For others, some for the very first time, we sat and asked them who Jesus is to them. With open hearts and honesty, they allowed us to challenge who they think He is.

Each year at camp we are reminded of the absence of the gospel in student's lives and just how much they need it. Each night we sat in our rooms and opened up the Bible with students for the first time in many of their lives. For the very first time, they sat and looked at the life and message of Jesus. It's in these moments God paves a road to their heart, a road which we pray leads them home to the Savior.

Camp is where everything changes.

"I think this week was the best thing I'll have done all Summer. I want to tell my friends and bring them next year."

-MHS Student

Summer camp is a critical part of the mission of Youth for Christ. At camp, students are often more open, so we get a rare chance to show lost students who Jesus is and what He has done for them.
