HIGH SCHOOL ROAD TRIP

Dear YFC Family,

“I never realized these stories (Creation, Moses, Jesus) are not something everyone already knows. I’ve always grown up with them.” This is what one of our students told me during our time on the High School Road Trip at the end of June. They realized for the first time the knowledge and gifts we receive as disciples is not a common thing for everyone or even the world.

For those who know Christ, we receive a rich history of God in the world, the grace bought by Jesus’ blood, salvation, the ever present Holy Spirit, and so much more. However, there are millions of people, millions of teens, who do not get to enjoy this relationship and all of its benefits. This is the thought which I continue to come back to, and hopefully you do too, that there is a whole world of people living without Christ, without life. Our desire is to do all we can to share the incredible truth we have been given with as many teens as possible!

We (that includes you) have been given the honor and privilege of taking part in God’s work in the world, to spread the gospel. We get to meet students in a variety of settings, share Christ with them, get to know them, lead them into a relationship with Christ, and, like the student mentioned before, guide them on how to share this truth with their friends who don’t know Christ. I get energized when I think about the opportunity to invest in and teach the youth we encounter, and hopefully you share this excitement too. What a gift it is to witness Christ take root in the life of a young person!

Blessings,

Zach Lewis

DROP-IN CENTER

Closed during Summer. Tuesdays & Thursdays 3:45- 5:15p, at 18 SE D Street in Madras. Play ping pong, pool, air hockey, video games, or do homework. It is a great time to hang out before and after school.

CITY LIFE

Mondays 3:45-6, There is food, games, and a discussion about God, His Word, and how we fit into God's story today.

CAMPUS LIFE

Campus Life takes a break during the Summer, instead joining our City Life activities.

JUVENILE JUSTICE MINISTRY

JJM seeks to engage young people as they are met in a variety of youth-serving institutions.

REMEMBERING LARRY FIVECOAT:

On July 7th, 2018, Mr. Larry Fivecoat left us to join the saints in heaven and seize hold of the prize for which we all run. Larry held a special place in our YFC family, serving for many years as a board member, supporter of YFC, encourager, friend, advocate, and co-laborer in this ministry. As we say farewell and celebrate Larry's life, we will miss his presence in our ministry and in our community.

Building Times

Throughout the year, we organize building times to meet new youth and share experiences with current students. Our goal is to strengthen connections leading to authentic Christ-sharing relationships. In August we will serve our community together with snow cones at the Our Community Event on Saturday, August 4th and we will enjoy the sun and sand with a Boating Day at Lake Billy Chinook on August 20th from 11-2. Pray for us as we engage in loving, Jesus-filled ways!

Financial Support:

Central Oregon Youth for Christ is 100% dependent on donor support. Everything we do is because of people's partnership with this ministry. If you are currently supporting us I want to take this opportunity and say thank you. Because of your generosity, you are able to impact lives of young people. Our vision is to be a vibrant light in our youth culture today. Please pray with us as we pursue making this dream a reality.
