YFC Friends & Family,

This month has been very exciting - it was the month we began all our programs: City Life, Campus Life, and the Drop-In Center.

Coming on in June, I didn't know what to expect once programs began. There were still teens I hadn't met and who knew of us but I didn't know them. Once we began, I was elated to see us engaging a healthy amount of youth. Since September 6th, City Life has seen 10 teens and Campus Life has seen 9. That means we are seeing nearly 20 teens weekly, and each week we meet more new students looking for community. We are spending time talking with students about the story God made for them and how that applies to their daily lives.

We have had a lot of fun with our students so far. We played bigger or better at the end of the month and everyone had a blast. We met Martin for the first time that week, and at first he was hesitant and reserved. However, as we engaged, talked, and built relationship, he quickly revealed his awesome personality. Interactions like that are always the first step to something greater.

Seeing our programs continue to be fruitful, especially right at the start of the year, has been a great blessing and encouragement to me. When not at our programs, my time is

focused on connecting with donors and visiting our students at their schools.

It is a new season and a new year, and we are working hard to meet more kids and engage them in our community. As the only staff member it is a lot to do by myself, but I am confident in God's promise to be faithful in enabling us to do His work. So far, He has continued to prove Himself to be who He claims to be. In addition, I also believe in the power of prayer.

Please join me in praying for the youth in our community. Pray for God to give us the moments, meetings, and opportunities to engage with our youth and their friends. It is my prayer that the Holy Spirit would be present in all of those situations, whether at school or at city life, so they can give life to their stories and Jesus would be made known in their lives.

"The harvest is plentiful, but the laborers are few." Matthew 9:37

Grace and Peace,

Zach Lewis
